CHUCK DIXON • SCOTT McDANIEL • KARL STORY

Young ***Dick Grayson*** amazed circus-going audiences as a member of the aerialist family "***The Flying Graysons.***" But when the circus came to Gotham, Dick's world of high-flying acrobatics came crashing down. Orphaned by a mobster's machinations, he was taken under the wing of Batman's alter ego, millionaire Bruce Wayne, who trained him to fight crime. Grayson joined the Caped Crusader, guarding Gotham as the very first Robin!

Together, the Dynamic Duo took on everything from common criminals to Arkham's most infamous inmates. The teen wonder was a founding member of the Teen Titans, where he led fellow super hero sidekicks Wonder Girl, Kid Flash, and Speedy.

Eventually, Grayson moved out of the shadow of the Bat and adopted his own identity. As Nightwing, Dick utilized his unique abilities as the protector of Blüdhaven, both as a costumed crime-fighter and as a member of the Blüdhaven Police Department. But regardless of where his adventures have taken him, Dick Grayson remains a valuable member of the Batman Family and one of the Dark Knight's closest allies.

Now you can follow his career from his early days as the Boy Wonder to his time with the Teen Titans, his solo super hero adventures and more! Be sure to follow all of our Nightwing adventures from our digital library, and look for comic books and graphic novels at your local comics shop or bookstore.
